## PRESS VISITS AND FILMING Access conditions

Castelo de São Jorge is a unique space, a national monument, and the safety and conservation of the heritage and the people who visit it always comes first. In this sense, for press visits, filming, or image collection to be carried out smoothly, there are access conditions that must be taken into account.

### Booking

Before visiting the castle, request the visit by e-mail, indicating the day, time, number and name of the participants, the content and objectives of the filming, and the method of capture.

Email | [info@castelodesaojorge.pt](mailto:info@castelodesaojorge.pt)

### Parking

Castelo de São Jorge provides a parking space to facilitate access to the Castle with image capture material. Request parking in advance by sending the registration number. Parking is on Caminho do Menino de Deus and you will receive a code to access this place after parking is authorized.

## **Press visit / Image capture**

The press visit / image capture must never disturb the normal functioning of the Castelo de São Jorge, nor jeopardize the heritage. Areas should not be fenced off, nor should situations be created that prevent the regular circulation of the visitor. Therefore, all conditions, rules and obligations for filming and capturing images at Castelo de São Jorge must be complied with, whenever applicable – see **CSJ\_ General Conditions and Regulations of Castelo\_Venues**.

## **Institutional image, counterpart and archive**

The result of the press visit, filming or image capture must ensure, whenever applicable, that the institutional image of Castelo de São Jorge complies with the regulations in force.

It may be requested, in return for capturing free images / footage, credits to Castelo de São Jorge.

It is also requested that the result of the visit (report, film, documentary, etc.) be sent to the Castelo de São Jorge Archive.
